

U.S. Serial No. 09/885,663
Attorney Docket No. 033449-500C1
Amendment

Remarks

Claims 20-25, 43-48, 53 and 55 have been canceled and claim 17 has been amended. A copy of the pending claims in the application is attached hereto. Review and reconsideration are respectfully requested.

Claim 55 has been rejected as allegedly failing to comply with the written description requirement and on the basis that it depends from a canceled claim. Without acceding to the propriety of such a rejection, because claim 55 depends from a canceled claim (claim 2) claim 55 has been canceled.

Claims 17-19 have been rejected under 35 U.S.C. 112 on the basis that the bottom support structure and roof constitute double inclusions. Accordingly claim 17 has been amended to address this issue.

In sum, it is submitted that the application is now in a condition for allowance, and a formal notice thereof is respectfully solicited.

The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or to credit any overpayment to Deposit Account 20-0809. Applicant hereby authorizes the Commissioner under 37 C.F.R. §1.136(a)(3) to treat any paper that is filed in this application which requires an extension of time as incorporating a request for such an extension.

Respectfully submitted,

Steven J. Elleman
